“New Patient – Skin Testing”

Please review this page for important information regarding your skin testing appointment.

ANTIHISTAMINES

It is important that you read the information sheet on antihistamines and discontinue use of only those medications for a period of 7 days (one week) prior to your appointment date. If you suffer from severe eczema or severe hives, do not discontinue any of your medications.

WHEN CHILDREN ARE PATIENTS

To adequately evaluate your child's condition, we ask that parents bring only the child who is going to be seen.

MEDICAL INSURANCE

You may have medical insurance to defray the cost of medical services rendered. We suggest that you verify your policy to know what your portion of the cost might be for this visit with the specialist, including labs and x-rays. Our staff will provide the necessary information to enable you to file a claim with your insurance company. If a company for which we are a contracted provider insures you, we will submit the claims for you. You must provide us with your current insurance card at the time of your visit.

REFERRALS – If you have an HMO plan that requires a referral, please obtain it from your primary care physician prior to your appointment. You will be responsible for payment in full if we do not have a referral at the time of your visit. Referrals can be faxed to our office prior to your visit.

PAYMENT POLICY

Your portion of the payment, including copays, is expected in full at the time services are rendered. We accept cash, personal checks, MasterCard, Visa, Discover & American Express.

CHECKING-IN

We request that anyone attending any of our appointments please refrain from wearing cologne or perfume. Please check in on the second floor 15 minutes prior to your scheduled appointment time. Please plan to spend up to 2 ½ hours with us. If you have any questions, please call us at (913) 469-5452, Monday through Thursday, 8:00 AM to 5:00 PM. Our FAX number is (913) 469-5910.
